

January Activity Guide: “*Being an EARTH Helper*”

Everyday actions that make a big difference.

5-10 minutes

Activity Prompt

Ask students or participants: “What are some ways people can help take care of the Earth every day?” Show or reference the **January EARTH Man comic**, focusing on how EARTH Man helps others solve a real-world problem.

Potential Discussion Questions

- What did EARTH Man do to help the community?
- Why is recycling old appliances important?
- Who helps take care of the Earth in real life?
- What could happen if people ignore problems like leaks?

Hands-On Option

Invite participants to draw or tell about one way they can be an EARTH Helper, such as:

- Reminding adults to recycle
- Saving energy at home
- Taking care of community spaces
- Learning how things work before throwing them away

Audience tips

- Younger children: Draw yourself as an “EARTH Helper”
- Older kids: Share one action they could take this week to reduce waste or save energy
